## Introduction

'Think globally, and act locally'

In front of you is our annual report for 2019, in which we give accountability for our income and expenditure in 2019. We publish this annual report for environmental and cost reasons online only.

AbortusInformatie.nl is an innovative human rights NGO organisation that started 40 years after the first abortion clinic opened in the Netherlands, which was the Arnhem Mildredhuis, on 27 February 1971.

Exactly 40 years later, 27 February 2011 AbortusInformatie.nl was launched. AbortionInformation.eu is our English name.

## Human rights organisation

AbortusInformatie.nl is a human rights organisation that educates about abortion.

We are against all forms of violence relating to abortion. Everybody has their own opinion on the topic and different ways of thinking, but violence is not the answer.

Abortusinformatie.nl was set up by women who regret their abortion. We missed crucial information in the decision making process of our abortion.

Many of us say that if we had realized certain things in advance, and seen the images of what babies can look like after enduring an abortion, we would not have made the decision to kill our own offspring through abortion - we would have found other alternatives for the situation we were in.

All board members have affinity with abortion.

We build awareness on the reality of abortion, so that true 'informed consent' can be given based on facts and true understanding.

We do this amongst others by showing medical scientific images.

AbortusInformatie.nl also helps women considering abortion, who decide to keep their baby, or regret their abortion afterwards.

We bring innovative new ideas to the country, and as trailblazers have vision, and are entrepreneurial!

Information on the founder of AbortusInformatie.nl can be seen on the next page, and at [www.savethe1.eu](http://www.savethe1.eu)

Please help us with a donation if you think that what we do is important. We can only do this with the help of people of good will. Charity with tax-deductible ANBI status in the Netherlands, stichting:

ANALYSE ABORTUS

Pro-life heeft de wind mee: de macht van de anti-abortusbeweging wordt steeds groter

Enkele duizenden plastic foetussen liggen op een plein voor een winkelcentrum in Houten. De christelijke organisatie Schreeuw om Leven protesteerde er in september 2013 tegen de vestiging van een kliniek van het Centrum voor Anticonceptie, Seksualiteit en Abortus Rotterdam (CASA). Beeld ANP

Internationale samenwerking maakt de anti-abortuslobby steeds professioneler. Tijdens geheime bijeenkomsten worden strategieën bedacht om haar doel te verwezenlijken.

Marjon Bolwijn en Marieke de Ruiter 3 mei 2019, 17:55

Provocatie

Naast Stirezo en Schreeuw om Leven zijn er ook kleinere organisaties actief. Zoals 'mensenrechtenorganisatie' AbortusInformatie.nl, die nog de provocatie kiest. Deze Nederlandse tak van het Amerikaanse Center for Bio-ethical Reform toont tijdens bewustwordingsacties de uitvergroete foto's van embryo's voor en na een abortus. De afbeeldingen zijn gruwelijk, omdat ze de realiteit van abortus tonen, zegt oprichtster Salome van der Wende. Ze vergelijkt het met de foto's op sigarettenpakjes: 'Een beeld zegt meer dan duizend woorden'.

## Board

Our board comprises a chairman, secretary and treasurer.

The present composition of the board can be found at [www.abortusinformatie.nl/organisatie/bestuur.pdf](http://www.abortusinformatie.nl/organisatie/bestuur.pdf)

## Remuneration

Board members receive no remuneration as work is done on a voluntary basis.

## Staff / volunteers

There are no hired employees. Work was carried out by unpaid volunteers. These were engaged in supporting our work for our projects in the short and long term.

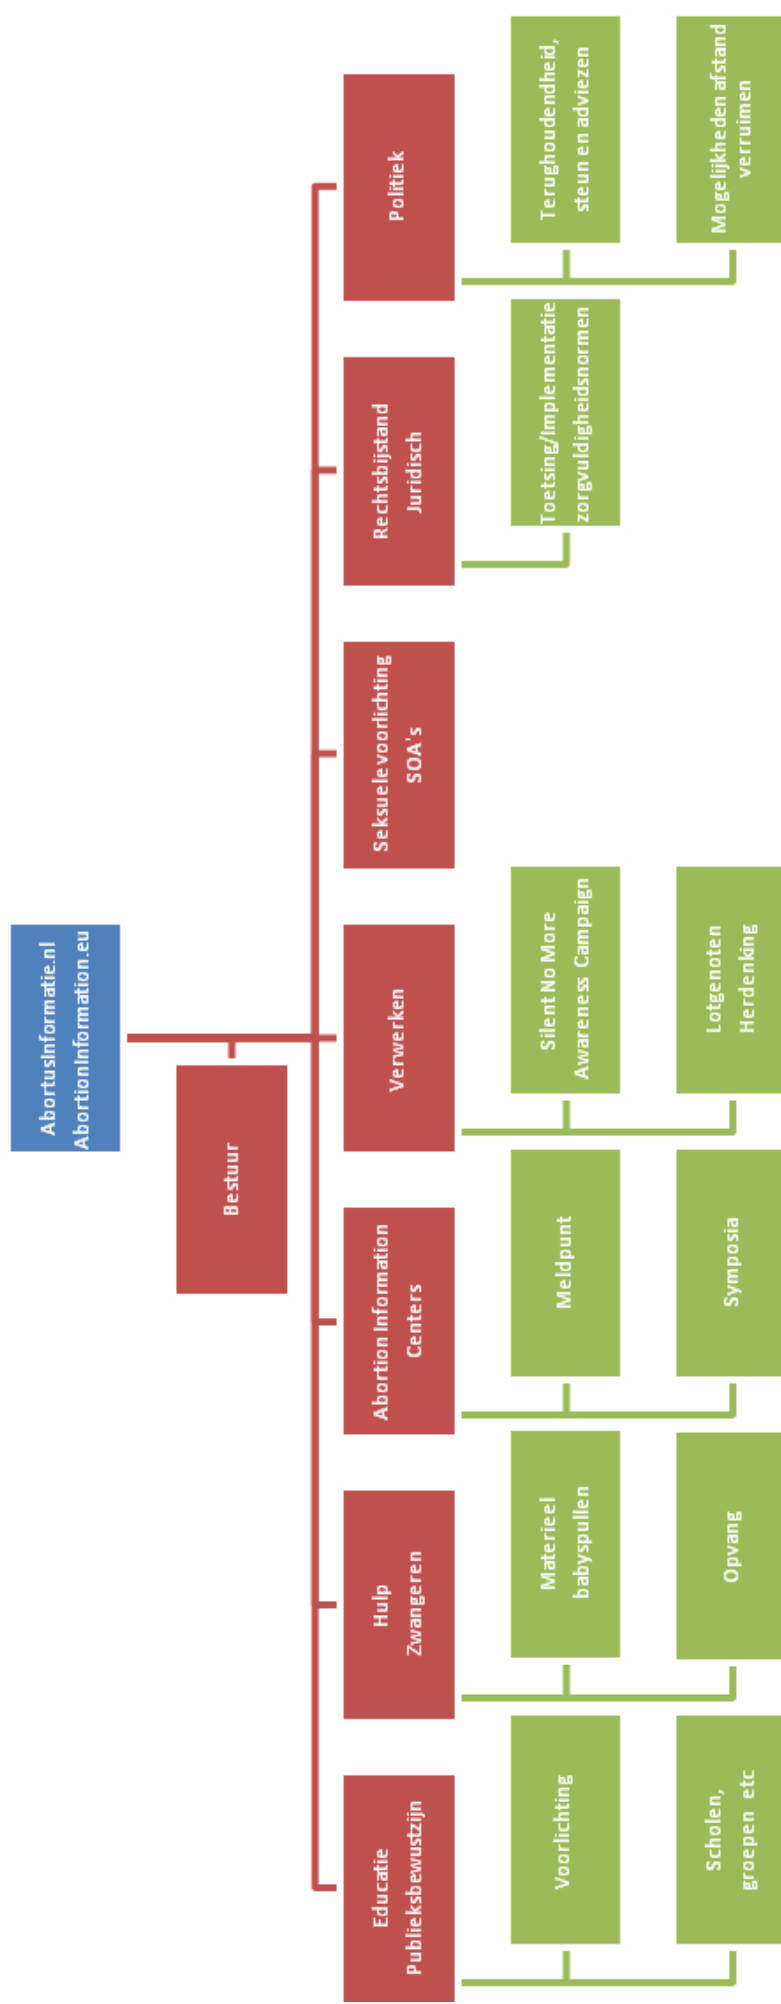

## Strategy

Because we find it inhumane that arms and legs are torn off children, babies are poisoned, starved or beheaded and their lives intentionally prematurely ended through abortion, we started this human rights organization. In Dutch, our foundation is called AbortusInformatie.nl, in English AbortionInformation.eu

1. The goal of the foundation is
  - (a) to be active in the area of human rights, sexuality, abortion and the possible consequences of it, amongst others, by providing information, support and shelter;
  - (b) carry out further actions which, in all senses of the word, relate to or could be conducive to above mentioned areas.
2. The foundation aims to achieve her goals, amongst others, by:
  - (a) providing information and education to promote public awareness on abortion: procedures, consequences, experiences and development of a baby in the womb;
  - (b) supporting women with an unplanned pregnancy (medical, material, financial, emotional and mental help), also after the birth of their baby;
  - (c) offering special provisions and courses for parents and the child, in order to promote their well being;
  - (d) setting up 'abortion information centers', a contact point for forced abortions, and organize platform days, symposia and theme days;
  - (e) providing opportunities for help after abortion (or sexual abuse) through so-called healing groups/retreats, peers' days, commemorative monuments and/or memorial services; the foundation also aims to offer women (post abortion) consolation, information, support and healing;
  - (f) providing sexual education to help prevent unplanned pregnancy (prevention through education), sexually transmitted diseases STD's etc., as well as offering medical diagnosis of STD's and other related diseases;
  - (g) attention to monitoring and ensuring implementation of due care standards surrounding abortion, also availability of an adequate offer of legal assistance with regards to the abortion issue;
  - (h) promoting the kind of legislation and regulations, as a result of which more restraint and a careful approach towards abortion will be taken, with more options coming into being for expectant mothers to give up their (not yet born) baby, as well as issuing advice and proposals to the government in this matter;

all in the broadest sense of the word.

The foundation aims to operate on both micro and macro level. The foundation is open to cooperation with other individuals and/or legal entities as well as with other organizations in the above mentioned areas.

Strategy continued:

The foundation is established for an indefinite period.

The assets of the foundation are to be formed through sponsoring, subsidies, grants, donations, inheritances and legacies and other income resources.

Board members receive no remuneration.

## About the founder

Salome van der Wende is called by others a passionate powerful 'weapon' and mighty warrior in the abortion debate, speaking internationally of her rape, abortion and own violent conception, as National Coordinator for Silent No More the Netherlands, director of SaveThe1 Europe, and founder of AbortusInformatie.nl

Writeups include LiveAction, LifeNews, Psychologie, Zenit, Charisma, Nasz Dziennik, Reformatorisch Dagblad, AD, Pch24, in Argentina SanJusto, Slovakia, Czech, The Interim Canada, interviewed by NRC, Volkskrant, Nieuwsuur, HLI, Nieuwlicht, Katholiek Nieuwsblad, various radio and TV including Al Jazeera, EWTN tv Defending Life, Poland tv-trwam, Republika, Minela-8, Face-to-Face, Malta Xarabank, Holland EO Eva, DoorDeWeek and BrinkTV, Blue Tiger, UK Breakfast Show Branch FM, Belgium Journaal, and by Catholic News Agency as the EU parliament discussed funding abortions with development money.

On occasion she lobbies at the UN, Geneva Switzerland, has shared on sexual and reproductive rights, and New York during CSW parallel event, speaking also in Ireland, Italy, Hungary, Germany, Sweden, Africa, England, Poland, Belgium, USA, the Netherlands, at the Pontifical Academy in Rome and Krakow, visiting Slovenia, Malta, Romania, and speaking at various universities, conferences and marches.

As founder of human rights organization AbortionInformation.eu  
AbortusInformatie.nl

she educates about abortion, and helps women together with an awesome team. Seeing the image of an 8 week baby with ribs, torn apart, with 10 fingers and toes, beheaded, and eyes staring up at her (see picture below) made her realize what abortion had done to her own baby. 'What have I done!' After crying for 3 days, crushed by the heavy weight, she felt urged to educate the world about what it is that happens behind closed clinic doors.

All board members have affiliation with abortion, saying if they had seen the pictures beforehand, they would have found a different solution for their 'problem'. Her song 'My Baby' is in the Life ballet 'Arise Sweet Sarah' while her testimony is translated in various languages, and in books Mothers Who Weep (Italian), Cada Vida Importa (Spanish) and Looking Inside - life after abortion - testimonies from around the world.

'What have I done!'

## Comments

The board is grateful for all the generous donations this year, which allowed us to continue this work.

In 2019 we were able to, amongst other things, do the following:

- New awareness signs were printed
- New action camera's for protection during street awareness displays
- Items for healing retreats to work through a past abortion
- Items for education
- Some travel expenses
- Send brochures to USA for distribution

Along with this, office supplies such as A4 paper, binders, ink cartridges; SD's/USB's, operational costs such as websites, phone, admin software, insurance, banking, post office box etc.

## Activites

Due to requests, in 2019 we sent New Zealand government input for their planned Abortion Legislation Bill, and recommendations to a worldwide church leadership annual meeting held in the USA, as they were re-assessing their policy on abortion. Furthermore was asked to send an overview for the USA march for life, and testimony included in Spanish book 'Cada Vida Importa'. We invested in starting up a new healing program in the Netherlands for recovery after abortion, and per request displayed our abortion instruments in the United Kingdom. Attended the One of Us Europe launch in Paris, gave numerous interviews, per request sent brochures to the USA for distribution there, had over 200 requests for helping pregnant women, was asked to be on hand after the film 'Unplanned' as a former abortion patient, held street awareness campaigns including in front of annual FVD political meeting, government in the Hague on Human Rights Day, outside the march for life in Utrecht on the Day of Tolerance, and in various cities, including outside a planned abortion-theme-evening by Humanistisch Verbond.

## Future strategy

The coming years promise to be dynamic years.

A large part of our activities is related to the amount of money that is donated. We operate solely on donations from people like yourselves.

We are preparing for the future, in a sustainable manner, including innovative ideas, bringing together people, knowledge and skills. We hope to expand our support bases with people interested in sharing the realization of our goals, on both micro and macro level.

## Donors and volunteers

Since its inception, a small army of helpers have aided AbortusInformatie.nl, with some 80 volunteers having helped us in some way or the other with their precious time and skills/talents, including wonderful brave people who help do street awareness displays, etc.

We are appreciative of all who contributed so generously with their gifts, so that we were able to further this work in 2019. We look forward to all the changes ahead of us! Would you like to join us? Let us know what you would like to do!

## Special thanks

We are grateful for your support, trust and commitment. Grateful for men, women and young people who, with functioning conscience and conviction, stand up courageously and join us, to defend the lives of babies who have no voice themselves. We want to thank you all for your support and commitment in recent years. Thanks to you, we have been able to work on building this organization, to innovate a new voice in the field of human rights, not only through education, but also through actual practical help. Many have helped with this. We are extremely grateful for all those people who have helped make everything possible.

If you see the value of what we are doing, and you would like to partner with us in educating about abortion, then please e-mail us at [info@abortusinformatie.nl](mailto:info@abortusinformatie.nl) or [info@abortioninformation.eu](mailto:info@abortioninformation.eu), find out or let us know how you would like to help, or make a donation by using the bank data below. Thank you so much!

AbortionInformation.eu and AbortusInformatie.nl works on exposing this enormous human rights issue. To do this, we need to allow people to see it for what it really is. In just a few minutes people understand the humanity of the unborn child, and what abortion does to them.

We would love to step up the exposure with your help, on our awareness displays, help etc. - help us arrange presentations for your friends, a group, church or home group, so they too can think about how they can get involved.

Would you like to help us make a difference? We can't do what we do, without you! Join! You can also support us and make a contribution to help defend babies in the mother's womb, and further this work.

How?

Your donation can be placed via ABN Amro in the name of our charity (stichting) AbortusInformatie.nl
